## Why participate in Rapid China Entry Program?

Managing B2B sales efforts in China for western small to mid-sized companies since 2005 through our China Sales Incubator program, we've helped generate tens of millions of dollars in export sales to China. Sales experts, we can quickly size-up a product for fit, identify best opportunities and develop a cost-effective plan for pursuing those China opportunities. And, if you need sales execution, that's what we do best. We're committed to supporting companies like yours and guarantee our Rapid China Entry Program will put your business on a fast-track in China.

Chris Wingo, Managing Director, China Sage Consultants

## What do you get with Rapid China Entry Program?

**Short Answer:** You get everything needed for a fast and effective start in China. **Long Answer:** We educate you about selling and business in China through a personalized China seminar delivered at your place of business. We engage your team in a comprehensive discussion about your business, product and objectives for China. We gather information in China relevant to your business through our various channels including potential customers. Finally, we analyze the market situation and formulate a pragmatic and actionable China entry and startup sales plan which we review with you. You time and money on a better result than possible through other options.
